Historical note

Scope and Contents note

A variety of biographical materials on board members has been amassed, including personal correspondence, memoirs, clippings, and photographic portraits. The Archives retains a copy of Moses King's *Philadelphia and Notable Philadelphians* (New York, 1902) because this publication reproduces photographic images of many of our nineteenth-century board members. Several group photographs of the board are also preserved. Engraved, painted, and sculpted portraits are in the museum's permanent collection.

Arrangement note

Arranged alphabetically.
