Historical note

The first staff member whose duties were primarily the maintenance of records concerning the permanent collection—documentation of provenance, location control, loan activity, and storage facilities—was hired in 1943. This department consists of a department head, an associate registrar, and a rights and reproductions officer, although a number of assistants and temporary staff have been employed as well. Two or more preparators (art handlers) report jointly to the registrar and the curator.

Prior to 1943, the activities listed above were handled by the secretary/managing director (director after 1945). For other information about registrarial business, consult the collection files (see 2-D), office files of the secretary/managing director/director (see 1-D), registers of works received for exhibition (see below and 2-F), art property registers, and printed catalogues of the collection.

Registrars (heads of department):

Barbara Roberts 1943–1952

Mabel Eiseley 1952–1959

Louise Wallman 1960–1969

Elizabeth Bailey 1970–1978
