Dear John:

It was a very pleasant surprise to receive an invitation from the National Institute of Arts and Letters to attend an exhibition of works of candidates for grants in art for the year 1955.

I will do my best to go up to see the show on 4 March, but it is difficult for me to leave the University as you know, particularly on week days, and I cannot be sure of being free to visit the show. In any case I congratulate you on having been included. As you realize you are in fine company.

With best regards and all wishes for continued success,

Sincerely yours,

Leopold Arnaut  
Dean
