Dear John. Today I got your coat -
tried it on and it is exactly
similar to mine - except that I
took one inch off your waist - you
may bow to the compliment! I
am getting in touch with Everett
Chapman Re: the exportation by

air of the coat to you as
Helsinki. I do hope it fits
ok. and above all reaches
you to save your life from
the Arctic winter: Please give
my kind regards to your good
wife and I am looking forward
to seeing you if you happen
to return via this small island
Sincerely yours / Britta
