Dear Bill:

Am I in error, or do I recall that I left with you some of the Carnegie slides, which you were going to have returned to me following your tour? If there is any way at all for you to get a check on these, I would be deeply grateful, because I have never heard a word from them. But if they are lost, I hope they fell into the hands of someone who will appreciate them! I am to give a talk a couple of weeks hence, and I have had a call for these particular slides.

Do let me hear from you at your earliest convenience.

Sincerely,

Lamar Dodd, Head
Department of Art
