Dear Mr. Morrison:

The response of past Opportunity Fellows to last year's request for suggestions of possible applicants exceeded by far the fondest expectations both quantitatively and qualitatively. Recruits from this source were outstanding. We are looking to you again for the names and addresses of young people of exceptional promise.

You can have such persons apply directly to us for application blanks or request our mailing materials to the individuals whom you have in mind. Many of you, I think, will read with pleasure the names of some of those whom you called to our attention among the list of current Opportunity Fellows which will appear in the forthcoming Newsletter.

With personal regards,

Sincerely yours,

Robert C. Weaver

Dear John - Although I haven't met you as yet, I know that I will soon, thru La Jordan. I called the JH W Foundation and they will send you blanks. I know you have an excellent chance. Until we meet, best regards
George M.
