Dear Mr. Rhoden:

Your application for a Rose Prize Fellowship was presented to the Sculpture Jury for its consideration. We are sorry indeed to have to tell you that the members of the jury did not feel they could recommend you for a fellowship at the present time.

Your portfolio is here in the office and may be called for any time next week between the hours of nine-thirty and five. The office is closed on Saturday.

Should you be interested in applying for a Fulbright grant for 1951-52, we want you to know that the American Academy, on the recommendation of the Sculpture Jury, would be pleased to accept you on a Fulbright Scholarship. If you do not know about the Fulbright awards, we will be glad to give you details when you come to the office.

Sincerely yours,

Mary T. Williams
Executive Secretary
