Dear John:

Thank you so much for your sweet letter. I am enclosing our check for \$480, which covers the payment on the "Dancer" sold to Mrs. Lesser of Saint Louis. I would not think of sharing any loss with you. After all, you have all the expenses of making these beautiful works and I only have the fun of selling them. I always take at least 10% so that we can be covered for our shipping expenses, etc.

Hope you are having a good summer. We will look forward to seeing you in September.

Love to you and Richarda,

Eleanore Saidenberg
