Mr. John Rhoden

New York City

Dear John,

As I spoke to you over the phone, we are sending you a check for Two Hundred and Eighty Dollars (\$280.-), representing the payment made by Peter Hibel for the small sculpture he purchased, less twenty per cent.

The One Thousand Dollar (\$1,000.-) personal check represents the two gifts for Imas for my children, "Flight from Fear" and the glass piece.

Just now we received payment from Mr. Kaplansky of the third piece that he bought, amounting to Six Hundred and Fifty Dollars (\$650.-), so I send you my check of Five Hundred and Twenty Dollars (\$520.-).

With best wishes to you and Richards for this holiday season,

Fondly,

*Eleanor*

*P.S. The Kaplanskys said they would pay for the other 2 pieces in the next 3 months -*
