RE: HQ_145
BELLEVUE HOSPITAL

Dear Sir,

I will appreciate it very much if it is made known to the members of the Art Commission that the Sculpture for the abovesentioned project will be available for their viewing the week of August 1st-5th, as the piece is ready to go to the Foundry to be cast into bronze.

I am requesting that the Art Commission give me approval to go ahead with the foundry work.

Many thanks for your cooperation.

Sincerely,

John W. Rhoden
