Richarda darling,

You just returned from Nara and Kobe. I found your telegram. Please remember the phone conversation. You said complete the form and when I told the office Mr. John Reinhard that I would, he released my press conference schedule. Darling, I'm on my way home as soon as I am able to get there. I have really been "check-up" over this shit up of letters, telegrams, and schedule. The other night, oh well, I'm OK now.

How do you feel that I want to stay to you to be to you to do for you. Explain me and you better but I'm do it will really be up to you.

Stacy or thing that I had a fear about. I did something I don't think you'll like. I bought a very large hat that, would make stole. I sent it for Christmas I hope you got it and I hope it was real, would make I don't like the kind of delicate stuff the Society dances wear.

I'm having a beautiful HAP; coat made here in Kyoto at Fashernye. you should have seen the mob of people about when the man was measuring your size on me. What did they think? Love John
