Dear Shanny,

Darling I just want to get a quick note of to you through Mr Watkins. We are here in Georgia, Tbilisi. We had a long drive from Armenia. Erason today and was rushed to an Opera Ballet tonight. He is leaving for the States in a few hours.

See dear, I've thought of you so much and missed you more. I've talked to everybody about you. I hope that you don't mind.

I have not heard any
word from Washington
as to my plans. I can't
at this moment say
whether I'll get to Japan
but I'm going to try.
It would be easy for me
to make up my mind
if you were here.

Please take care
all of you for me.
all my love -
