1% Art - Mr. John W. Rhoden

Dear Sir:

Enclosed please find the original and three (3) photocopies of a statement for art work completed to date from Mr. John W. Rhoden. Please note that this bill is for payments (b) and (c) of the Agreement for a total of 50% of the cost of the work for 75% of the work completed to date. No credit is noted for receipt of payment (a) for 10% of the total so we assume that this initial payment has not been made by the City. If this 10% payment has been made, of course, it should be deducted from the \$9,750.00 here billed.

The writer made an inspection of Mr. Rhoden's progress at his studio on October 9, 1970 and found his work 90% complete at that time. The work was beautifully done and both panels very closely followed his preliminary submission.

It is recommended that the bill be approved and immediate payment made.

Very truly yours,

SMEALLIE, ORRICK and JANKA, LTD.
