Dear John:

I enclose our check of \$680, which covers full payment of the sculpture, "Sea Wind," which we sold, through a decorator, to a big collector in Chicago. I am delighted to only take ten per cent as the decorator got the other ten per cent.

Hops you and Richards are fine, and I look forward to seeing you at the end of the summer. I am in much better health, and we are going away soon for a much needed rest.

Love to you both,

Eleanor
