Dear John:

Here is the list of sculptures we have chosen for the exhibition from the photographs:

1. Three-headed Lion
2. Heavenly Bodies
3. Birds Lost in Cosmos
4. Astronomer
5. Reclining Figure
6. Torso
7. Contentment
8. Conversation about Nothing
9. Acrobats
10. Angela teasing Terus

In addition, we want the smaller pieces, of course; please send us a list of them plus prices on everything to be exhibited.

Budworth can handle packing and shipping for you; please put a rush on it, because pedestals will have to be made after the pieces arrive and have been unpacked.

This is going to be a photo-finish at best, so do hurry!

Best of luck,

SGH/au
