Dear Mr. Rhoden:

We are very glad to hear from Mr. Mangravite and Mr. Marderelli that you have been awarded the Skowhegan School scholarship for this summer. We shall look forward to seeing you in June and Mr. Cummings has asked me to tell you that the scholarship students this year are asked to arrive at the School a few days prior to the opening - which would be the evening of June 26th or the morning of June 27th. We ask this each year so that they may acquaint themselves with the school program and the various duties that each student is asked to do, such as monitor duties, arranging the library, store, etc. I will forward travel information to you before long, and if you have any further questions, do not hesitate to let me know.

A School catalogue is being forwarded to you today, under separate cover and we should appreciate your filling out the application blank and sending this in for our files together with a certificate of health. It will not be necessary for you to send photographs of your work, or the registration fee which are requested in the catalogue. If you have a small photograph (personal) on hand we should like to have one.

Yours sincerely,

Helen H. Dodge
