Dear Mr. Dean,

Many thanks for sending me copy of the Hotel Magazine as it is not only interesting reading but also a nice memento of the Hotel itself, which, for each of us, I think, seems to have an individual life of its own; I was only sorry that they hadn't used a photo of the screen after its completion. Maybe the Philadelphia-Sheraton people plan to have some photos made of the finished work. It would be good if they used photos of the completed work, if it is possible to do this.

I haven't heard a word from Philly about any plans for lighting the screen and chandeliers; they said that they would notify me when this was underway.

I would like it very much if ^{*McClintock & Co*} ~~the Philadelphia-Sheraton~~ Corporation would send me a check for the money they owe; I am very anxious to have this cleared up, ~~and out of my mind~~. From the enclosed copy you can see how they answered my bill to them. *from the*

The very best wishes to you and your family and hope that you are having a good Summer.

Sincerely

encl.

John

*From the enclosure, you can see
the most recent dealing, & since
returning their incorrect check, I
hope you can be quite certain
from there.*
