Gentlemen:

As we mentioned in our letter of May 23rd we are sending you herewith a bill for \$2,000 from John Rhoden, Sculptor. This is on account of his services on the Ballroom Main Stairway, Stair No. 9. We feel that Mr. Rhoden is entitled to this amount at this time and would ask that you send the payment directly to him.

We are enclosing herewith two copies of an agreement which Mr. Rhoden has drawn up between himself and your company. Possibly you have a standard form of agreement which you use between yourself and your sub-contractors which you would prefer to use. In any event there is another paragraph which should be added to this agreement stating that Mr. Rhoden is to be reimbursed for travelling expenses in connection with the work. Will you kindly take this matter up with Mr. Rhoden and settle the matter to your mutual satisfaction. We would appreciate having a copy of the agreement since Mr. Rhoden's bills will come through this office for approval.

Yours very truly,

RCM/LL
c/c Mr. Rhoden
