Dear Mr. Rhoden:

Thank you very kindly for your letter of May 15, in which you replied to my letter of March 31 relative to our plans to place a statue on the North Carolina College campus in memory of the late Founder-President James E. Shepard.

Your estimate has been presented to our Planning Committee of the James E. Shepard Memorial Foundation. Final action will probably be taken Saturday, May 21, when our recommendations will be presented.

You will hear from me immediately thereafter.

Very cordially yours,

 M. S. Johnson
 Alumni Secretary
