Re: Lake Clifton Senior High School #40  
1% Art

Dear Mr. Rhoden:

We all look forward to your visit to Baltimore to install your work at the Lake Clifton High School during the week of July 12th. As I believe I told you, Mr. and Mrs. Kasuba will also be installing her work starting July 12th. We understand that James Brown has offered the hospitality of his home to you while you are in Baltimore. He started his work this last week-end.

Mrs. Smeallie and I would enjoy having you and Mrs. Rhoden, if she is along with you, Mr. and Mrs. Kasuba and Mr. Brown join us at our home for an informal backyard cook-out on Tuesday July 13th, 1971 at about 6:30 P.M. We hope also to have the Orricks, the Jankas and the Hesses join us at about 8:00 P.M. for homemade ice cream.

We will arrange with Mr. Brown or otherwise to pick you up shortly after six. We hope that by Tuesday you will have your work well under control and will welcome an informal break.

We are enclosing a memo to all the artists requesting a short autobiography of each artist, a photograph of the artist and a statement about the art work. We believe this information will be very useful to the students, may be mounted at each location, and possibly published in a brochure on the building.

Sincerely,

SMEALLIE, ORRICK AND JANKA, LTD.

Gentlemen,

A line to convey my thanks to you for your warm hospitality during the time I was in Baltimore installing my Sculpture for LAKE CLIFTON HIGH SCHOOL.

Especially, I wish to thank the host and hostess for the superb evening party and barbecue; my wife regretted having missed such a dinner.

I sincerely hope that you will visit with us whenever you are in New York.

Best regards to all.

Sincerely,

John W. Rhoden
