Dear John:

Yesterday we had a call from Miss Sukesi Bediardjo of the Cultural Exchange Department of the Ministry of Education of Indonesia who is on a four month visit to the United States. She expects to be in New York during the second half of November and has expressed her interest in meeting you and Richarda and seeing your work. She was sorry that she did not meet you during your visit to Indonesia, but knew of your stay there. Will you be at the old address or are you moving to new quarters before then? We shall know her exact itinerary in a few days.

I hope that all is going well with you. You will be interested to know that a week of my month's holiday in Europe was spent in Rome. I thought of you as I passed the Academy.

All the best to you both.

Sincerely,

Eleanor Mitchell
