MR. HAROLD E. HOWLAND  
SPECIALISTS DIVISION  
INTERNATIONAL EDUCATIONAL EXCHANGE SERVICE  
DEPARTMENT OF STATE  
WASHINGTON D.C.

Dear Mr. Howland,

Many thanks for the telephone call to me from your department last Friday; I sincerely hope that the contents of this envelope fulfill your requirements as mentioned in your telephone call.

These photographs are:

Those with the asterisk ( \* ) are the sculptures that will actually be presented with the exhibition.

Those with no asterisk are photographs that I will take with me of my own sculpture, but these will be enlarged to 16" X 20".

Enclosed also are the negatives for the actual pieces of sculpture to be exhibited.

You will also find our passports and pictures for visas as well as photographs of both of us.

We are terribly excited over this trip and have been working hard to make the whole thing consolidate into a good unit for exhibition purposes.

Sincerely,

JOHN HOWING
