Washington Office: 1339 P Street, N.W., Washington 1, D. C.

U. S. STUDENT PROGRAM

February 1, 1951

Dear Mr. Rhodens:

The Institute of International Education is pleased to advise you that your name has been included on a panel of candidates recommended to the Board of Foreign Scholarships for United States Government foreign study awards under Public Law 504, 79th Congress (the Fulbright Act) in the 1951-52 competitions.

As, however, the number of candidates referred to the Board exceeds substantially the number of awards available in the case of each country competition, this notice does not constitute guarantee of an award.

You will be notified by the Department of State of the final action taken on your application. It is requested that, pending notification by the Department of State, you refrain from making inquiries regarding the status of your application, since the volume of applications is large and applicants are notified as promptly as possible.

Sincerely yours,

David Wodlinger
Director

P.S. It is suggested that all students who were recommended for awards immediately undertake intensive study in the Italian language.
