Dear Mr. Rhoden:

Thank you for giving the students of the East Harlem Career Academy the opportunity to explore your creativeness, especially in the areas of sculpture and photography. Through your dynamic leadership, each of these students involved in your projects grew tremendously as students and as persons. It has been a pleasure to work with such a renowned individual such as you. Not only have you given insight into your extensive knowledge of the arts, but into your unselfish devotion to the cause of education for minority students.

We look forward to sharing these experiences and more with you during the coming school year.

Have an enjoyable summer!!!

Sincerely yours,

NELLIE R. JORDAN
