Dear Mr. Rhoden:

The James E. Shepard Memorial Foundation Committee has officially adopted the recommendation for the erection of the life-size bronze statue on a pedestal as an appropriate tangible memorial to the life and works of the late Dr. Shepard, Founder-President of North Carolina College.

It is to be expected that you will be supplied with more details concerning our plans as they progress.

Your estimate of the cost of this production was submitted and received favorably. I am not in a position to make any commitments as yet, as soon as our plans are developed more fully, you will hear from us.

Very cordially yours,

Marion S. Johnson
Alumni Secretary
