Bircha dear,

This one month being away from you seems like years. The fact that we are Bill & I, ^{Lincoln} so being squashed at some what easier. As I told you before from letting Bill carry the show for the past three days or more we have been in an off of the plane as much as the private car that takes me about.

Last evening we flew from Alena etc. Snow Snow Snow. The place was a fairy-land. It was difficult to take pictures. We had a very interesting stay there. The place Borders China, and is separated by the Sui Tagon. We returned to Tashkent and was rushed to a Special Council of National (Native) Music & Dance Ministry of Afghanistan. There must to say.

What I would like to do ~~is~~ is really get to Japan. So far there's been no word from S.C. In fact since we've been through the land.

By the way ask Eli to pay Sperry and deposit the check so in case I get it will cost at least \$1900. I'll probably go from Rome because we are definitely going to Belgrade.

Edward - we have been waiting for word of our flight to Moscow

here it is. Will write immediately. Hold the money -
