Mr. John Rhodes

New York, New York

Sir:

In order that MISRAIR may be reimbursed for services furnished on transportation request AL163,885, attached, it is requested that you complete the document and in addition affix your signature in the space check "Issuing Officer's Signature".

It is noted that you cited travel order 476-44 as the authority for which the transportation was issued, however, our records indicate that this travel order was issued to Mr. Carl Rohls for travel from Frankfurt to New York. Our records show that the correct travel order to be cited for authority for use of this transportation request is 184-68. It would be appreciated if you could clarify this matter.

To date the memorandum (white copy) of the transportation request has not been returned to this office. It is required for accounting purposes, and if still in your possession, it would be appreciated if you would return it together with the completed original (green) transportation request. If not still in your possession, kindly advise us as to what disposition was made of it.

Very truly yours,

*William H. Henderson*  
William H. Henderson, Chief,  
Transportation Audit Branch,
