Dear Richards:

Many thanks for your letter to Mr. Dodd dated January 26th, listing titles of books for possible distribution in the U. S. S. R. Your letter arrived during Mr. Dodd's absence from the campus, but I am forwarding the information to him in Washington. Tell John, by the way, that Mr. Dodd had luncheon with Mr. Eisenhower in the White House last Friday, and followed that with a meeting in which they discussed various things about Russia and the Far East - the observations of Mr. Dodd's trip.

Again, thanks for the prompt response to Mr. Dodd's request about book selections.

With very best wishes to you and John,

Sincerely yours,

Betty C. Cabin (Mrs.)
Secretary to Mr. Dodd
