Gentlemen,

On May 3rd, 1957, you sent a letter to Mr. Robert C. Dean of Perry, Shaw, Hephurn and Dean, Boston, Mass., a carbon copy of which was forwarded to me, saying, "According to our records disbursements on this account to date are as follows:

Rhoden Labor	\$24,760.00

However, I would like to call to your attention the fact that ~~two long past Substatements are included in this figure~~

that you are including in this figure two long past due bills for my labor, for which payment has never been received and which you ~~attached~~ attached to that selfsame letter of May 3rd as though they were amounts in addition to the wrongly ~~made~~ disbursement of \$24,760.00. ~~These two bills~~ are being sent to you (enclosed) for ~~the~~ the second time and I am highly desirous that prompt payment shall be forthcoming. first,

These two bills (Dec 16 - Feb 15), and second, (Feb 16- April 6th) labor and material, are in the total amount of 8,869.67 dollars
