Dear Mr. Rhoden:

It is my intention to award you a sculptural commission in the amount of \$18,000 for the design and preparation of small scale and subsequently full size plaster models suitable to be cast in bronze for sculptural work of monumental character and size, along the lines of a small scale model previously prepared by you and submitted recently to the Art Commission informally for advance review.

The work is contemplated to be placed over the main entrance of the New Harlem Hospital, Manhattan.

Please contact this office to discuss the terms of your proposed contract as soon as possible.

Very truly yours,
