Dear Mr. Rhodes,

We do not see how to apologise to send these things now and are deeply ashamed. The main reason why it is too late to distribute is the former manager of the House of Korean Arts has moved out and the details from his ship is still not solved.

We are all new people, who took place this shop recently and found a lots of things, which must be sent. And we are sending those things by our expense with the commercial morality, credit, and responsibility.

Please allow to be forgiven and tolerate on this mistake of former Company and advise for our new Company hereafter. Hoping your a great cooperation.

Very sincerely yours,

Dando Handcrafts Ltd. Co.

C.C. Moon 

p.s. We hope you would get these things within a six weeks, they are sent by ship.
