Dear Mrs. Rhodin:

I have been watching the register to see if there has been any action on the Cranberry Street garage and want to report that there hasn't been any to date.

Should I venture another offer on your behalf? Perhaps time has had the desired effect on our potential sellers and they are now ready to put their wranglings to rest.

I think it might be worth a try - but - I shouldn't want to "take up the cross" unless you are still in the market.

In any case, I would enjoy hearing from you.

Very truly yours,

*Walter Henderer*
