PLAN OF THE ACADEMY GALLERIES

THE CHARLES M. LEA PRIZES

Through the generosity of Charles M. Lea, a first prize of three hundred dollars and a second prize of one hundred and fifty dollars will be awarded respectively to the best and second best drawings in the exhibition. The Jury of Artists will make the award and may withhold either or both prizes, if in their judgment no drawing is of sufficient merit. Drawings eligible for competition must deal with the human figure either singly or in composition, and be executed in black and white by pen, pencil or hard crayon but not in chalk or charcoal, and the awards to be based upon the precision, accuracy of delineation, proportion, detail, simplicity and picture quality.

THE PHILADELPHIA WATER COLOR PRIZE

A prize of two hundred dollars, known as the Philadelphia Water Color Prize, is offered this year by friends of Water Color Painting. This prize will be awarded to that American Artist or Resident Foreign Artist showing the strongest Water Color or group of Water Colors in the Exhibition. The Jury of Artists will make the award, but may withhold the prize if, in their judgment, no work is of sufficient merit. The prize has been previously awarded to Alice Schille.

THE BECK PRIZE

Through the liberality of Mr. Charles W. Beck, Jr., a prize of One Hundred Dollars is awarded this year for the tenth time to the best work in this exhibition, which has been reproduced in color. The award is made by the Jury of Selection. The prize has been previously awarded to Joseph Lindon Smith, Henry McCarter, Elizabeth Shippen Green, Maxfield Parrish, Ernest L. Blumenschein, N. C. Wyeth, Jessie Willcox Smith, W. J. Aylward, Jules Guérin and Thornton Oakley.

MINIATURE PAINTERS' MEDAL OF HONOR

The Society's Medal of Honor, bronze, is awarded at the discretion of its Officers, in recognition of high achievement, to Miniature Painters whose works are in the Annual Exhibition. Awarded to Laura Coombs Hills.

TO
Picture Lovers

IF you are interested in pictures we wish you would visit our galleries with the same freedom as you would the Pennsylvania Academy of the Fine Arts.

We have a representative collection of the best things in the artistic world,—of paintings, water-colors, engravings, etchings, prints in colors. As members of the British Print Sellers' Association we offer the latest publications on the day that they appear in London.

In addition to the modern school we have old prints and etchings of great variety and beauty; French line-engravings; English color-prints after George Morland; old copper-plates by Dürer; etchings by Rembrandt, Meryon and Whistler.

¶ As a temporary home for the Art Students Philadelphia has unique advantages. Known as the "City of Homes," it affords good living at a lower cost than is possible in any other large city in the East.

¶ In historical interest it is rich, and its suburbs, easy of access, offer unusual chance for out-of-door work. Opportunities for general culture are varied and the Academy is fortunately able to secure special rates for its students to many of the lectures and concerts given each season.

¶ The Academy itself is centrally located and within short walking distance from it are good boarding-places. The two principal railroad stations are each within five minutes' walk.

¶ Recognizing that a comfortable living place is an aid to serious study the management invites correspondence with students from a distance and offers freely its information and its aid.
