

LET a man overcome anger by love;

LET a man overcome evil by good;

LET A MAN OVERCOME THE GREEDY BY LIBERALITY;

LET a man overcome the liar by truth.

THE TRULY VIRTUOUS has no concern for possessions;

THE truly great man ignores self.

PERFECT courage does not push itself forward.

PERFECT integrity is not critical of others;

PERFECT kindness does not concern itself with
individual acts of kindness.

THE evil life is the thoughtless life;

THE greatest of all evils is the evil of ignorance.

AMONG men who hate us we dwell free from hatred;

AMONG men who are greedy we dwell free from greed.

EVIL and pain are identical; it is those unable to
see pain as the natural result of doing evil
that continue to do evil.
