Dear Mr. Dean,

It was a great pleasure making your acquaintance and speaking with you last Friday.

Since the conference, many sparkling new ideas have come to my mind and I feel more and more enthusiastic about the idea of the coordinated circular screen and chandeliers.

I appreciate very much the confidence you have shown in my ability and I thought you might be interested in knowing a few facts about me (enclosure).

Many, many thanks again for the consideration you have shown toward me.

Sincerely,

JOHN BRODIE
