Dear Sir,

This letter will confirm our conversation today at our foundry.

We will cast and finish in bronze the four figure relief 18' high x 9' wide of which I saw the scale model for the sum of \$20,000.00. (Twenty thousand dollars).

There are no trucking or erection charges included in this quotation. We understand this part of the contract will be done by others.

Thanking you for your inquiry, and hoping we may be able to serve you.

Sincerely yours,

John C. Spring, V. Pres.
