Dear Rhodes:

I thought you might want to have copies of the pictures we used... And might pick up a bit or two from the story that would interest you. (I don't know whether you saw a translation of the comment the Finnish critic made in a Finnish newspaper) —

Bert and I very much enjoyed coffee and talk with you, that noon in New York. Perhaps sometime you'd get to Washington and come out to see us, which we would like. If you can do, it's in the telephone book: Bertram W. Strauss, 511 Steeple Hollow Road, Falls Church, Va.

Thanks for all your help —

Sincerely,

Bertram Strauss
