Dear John:

Thanks a million for your wonderful letter of May 29th. Last night I had the privilege of seeing some of the slides you sent me through the projector, and those of the icons as well as the ballet are terrific. A million thanks. My deep gratitude. I'm anxiously awaiting the time when I can send a box to you; and be patient, they will be on their way one of these days.

Your questions for the IBM RAMAC were most interesting, and I would like to see the answers. I would also like to see the Russians reaction to the questions and answers.

Kindest regards as always to Richanda as well as yourself.

Cordially,

Lamar Dodd
