Brooklyn, New York

Dear Mr. Rhoden:

This letter confirms our telephone conversation on April 10, 1986, concerning my checking prices and locations of hotels. I indicated, at the time, that you would have to pay for your hotel bill, for which money is included in your fees. This is College policy.

The College generally does not make airline reservations for our Artists-In-Residence. However, I was able to get special permission, and your airline reservation is complete.

Attached is your ticket and a copy of the tentative schedule of activities for your residency at Albany State College. If you have any questions, please write or call.

We are looking forward to your visit. A college representative will meet you at the airport on April 30, 1986.

Sincerely yours,

(Mrs.) Selenia C. Griffin  
Secretary
