

AMERICAN ACADEMY IN ROME

101 PARK AVENUE - NEW YORK 17 - NEW YORK

16 July 1956

Dear John and Richards:

Thanks so much for your letter of the 14th. It is wonderful, I think, that you have been able to pay off the loan. Enclosed herewith is the note you signed, marked "Paid in Full."

As always, I enjoyed the evening with you and am looking forward to the next one. I have been away nearly every week-end, which is a great help; spent my first day on the beach yesterday. It would be fun to go with you some time during the week, but just now I can't manage a day off.

I agree with you on the Reporter article about the Academy—it could have been so much better, but I suppose we should be grateful for the publicity.

I do hope the work is going well, and that John isn't knocking himself out over the screen.

My best to you both and I'll see you soon.

Affectionately,

Mary
