PITTSBURGH, PA.

OFFICE OF THE PRESIDENT

October 1, 1954

Mr. John Rhoden
285 Eighth Avenue
New York, New York

Dear Mr. Rhoden:

Thank you for your acknowledgment to my letter concerning the damage to "The Harlem Globe Trotters".

We are asking a man who does this type of work for Carnegie Museum to examine the break and we are hopeful that he can fix it.

In the event we are unable to get it fixed here, we will be in touch with you. If by chance you should be coming to Pittsburgh it would be helpful if you would get in touch with Mrs. Heinz.

Yours very truly,

Secretary to Mr. H. J. Heinz II
