Dear Mr. Lamar Dodds

We have received your letter of February 13, 1959 and learned with great pleasure of your intention to give the Leningrad Association of Soviet Artists a set of publications pertaining to American art. For this we tender cordial thanks.

On our part, we are prepared to send you publications about Leningrad artists.

We take this opportunity to wish you success in your creative work and to express the hope that your visit to our city and the correspondence started between us will serve the strengthening of friendly ties between the artists of the USA and the USSR.

Our address, to which publications may be sent and further correspondence addressed:

Leningrad Association of Soviet Artists
