Dear John - you showed me Orbitello; I View Vienna + Watuba to you - you Ausicht the American Academy in R to me - I saw your statues in front of Afro-Ames. Museum in Philadelphia when I was in Phil. for first time 1990. Congratulations - I have become a painter - with exhibitions in Germany + Italy - I became professional 1978 but still could not live off of it - but instead of writing I use color + form - We have a home here on the Sorrentine Peninsula + live in Tubingen - Germany part of the year - we met at Columbia and Italian course - you for Gussenheim + for lots of love + I'm glad you're so successful
