SUBJECT: PHILA. SHERATON HOTEL
STAIRWAY NO. 9

Dear Mr. Rhodes:

We acknowledge your letter of September 7th together with a tracing of the vertical hangers for stair #9.

We believe that it would be wise for you to field check for yourself the actual conditions at the job, to be sure that your own work will fit with the work being installed by our Stair contractor. For your information stair #9 is presently being erected and most of the vertical hangers on the north side of the stair are already in position.

When you come to Philadelphia to do this, please contact me, so that we can review together the work you are doing for this stairway.

Very truly yours,

McCLOSKEY & CO.
