Dorsey's Frame & Art Gallery  
553 Rogers Avenue  
Brooklyn, New York

Dear Mr. Dorsey,

In response to your inquiry concerning a Sculpture for Medgar Evers College I am enclosing a list of pieces that might be suitable.

If there is some interest concerning the Sculpture you might like to follow it up with a visit to my Studio.

Please let me hear from you if you wish to bring the Committee to Cranberry Street.

Many thanks to you for your interest in this matter.

Sincerely,

John W. Rhoden
