Mr. John W. Rhoden
285 Eighth Avenue
New York 1, New York

Dear Mr. Rhoden:

I am sending you, under separate cover, a 12 inch sample of the 1 3/4 x 1 inch flat bar hanger which is being used in connection with the stairway you are working on in the Philadelphia ballroom. I am sorry to be so long in sending you this but I had to wait until it came from the iron works in Philadelphia.

In regard to the lighting of the chandeliers, may I suggest that you contact Mr. McCandless at the Century Lighting Company, 419 West 55th Street, New York City, and explain to him what you will require? I also suggest that you contact Mr. George Blumenthal at the Lightolier Company and mention the name of Standard Wholesale Supply Corporation, who do a great deal of business with him and are also our Purchasing Agent. I hope you will get better cooperation than you have received in the past.

I spoke to Mr. Dean this morning and I am hoping to set up a meeting with him in New York sometime next week where we both will be interested to see what progress you have made.

Very sincerely,

Mary M. Kennedy
