Dear Mr. Rhoden:

I appreciated your letter of March 17, expressing interest in the sculptural commission for Our Mother of Africa Chapel in the National Shrine of the Immaculate Conception.

The National Black Catholic Congress plans to send representatives to interview you in the near future. If you can tell me the most convenient place for the interview,--at your studio or at a gallery where they can see some of your work,--I will relay that to Dr. Stanley, the Executive Director of the Congress. Dr. Stanley will then contact you to set a date and time for the interview.

Sincerely,

LEO A DALY
