Dear John:

Today's mail brought me the invitation to see your show from March 7th to April 30th at the Saideberg Galleries. I will certainly do my best to get around to see this exhibition.

I notice that you are in excellent company, the painters being of almost equal reputation to your own good self as a sculptor.

With kindest regards and best wishes and my congratulations on your continued successes,

Sincerely yours,

Leopold Arnaut
Dean
