

November 17, 1971

CERTIFICATE 12302

RESOLVED, That the Art Commission having considered the designs for an abstract sculpture (DWA HELIX 2), for the south side lawn of Bellevue Hospital, submitted by the Department of Public Works, represented by Exhibits "127-NP" and "NG", of record in this matter, hereby disapproves the same without prejudice to the submission of designs for a new concept, to be presented in relation to its total and immediate environment.

A true copy of resolution adopted  
by the Art Commission at its  
meeting on November 8, 1971.
