Dear Mrs. Kennedy,

In our telephone conversation of June 5th, you advised me of your trip to Dallas scheduled for the end of the following week, and you also requested that I send you a sketch of my work for the Grand Ballroom of the Dallas-Sheraton Hotel.

Subsequently, along with my letter to you, dated June 11th, I enclosed a photographic sketch for one of the panels of the Dallas-Sheraton Ballroom.

More than six weeks has passed and I have not heard from you further concerning this urgent Dallas-Sheraton Ballroom project.

I would appreciate it very much, if you would let me know just what decisions have been made.

Best Wishes.

Sincerely,

*John*
